Confidentiality: For authorised review only. System provenance metadata is retained in governance files regardless of white-label presentation.

Export grade: Regulatory / evidential

IMMUTABLE GOVERNANCE ARTIFACT

This artifact is stored at generation time with manifest checksums; re-download returns the same bytes.

Artifact ID: gallery_chronology | **Semantics:** v1 | **Scope:** portfolio
Generated (UTC): 30 June 2026 at 12:00 UTC | **Status:** live

Accessibility-enhanced PDF: logical section headings, improved table contrast, and selectable text. Not PDF/UA certified.

Intended use

Intended as a readable chronological record of system events supporting evidentiary review and governance audit.

This report does not constitute legal advice. Evidence and compliance conclusions remain subject to independent verification of source documents, issuing authorities, and applicable external registries.

Executive summary

Overall compliance posture and action posture at generation time.

Gallery validation — representative compliance posture.

Metric	Value
Obligations in scope	1

This export is generated for presentation gallery validation only.

Evidence sufficiency and audit readiness

Indicators summarise whether evidence and delivery proof appear sufficient for independent review at the report date.

Indicator	Value	Interpretation
Evidence completeness	0%	0 of 1 obligations have evidence on file.
Delivery proof completeness	N/A	No delivery proof records in scope.

Indicator	Value	Interpretation
Audit readiness	Substantially ready — limited exceptions	Confidence level: Medium
Unresolved evidence exposure	0	Obligations requiring critical or high-priority action.

Evidence matrix

Central evidence matrix mapping each obligation to status, evidence files, delivery proof, expiry, and risk. Compliance conclusions must be read against this matrix.

Obligation	Status	Evidence	Delivery	Expiry / Risk	Action	Updated
HMO Licence	Renewal approaching	No	No	2026-08-01 / Medium (31d)	Review	—

Evidence remains subject to independent verification of source documents and issuing authorities.

Recommended next actions

Prioritised actions to improve compliance position. This is operational guidance, not legal advice.

1. [Medium] Review and remediate. HMO Licence is expiring soon and requires attention. Evidence: Appropriate statutory or supporting evidence. Timeframe: Before 2026-08-01.
